## RESOLUTION

Amending the Rules of the House of Representatives to require that rescission bills always be considered under open rules every year, and for other purposes.

Whereas Federal spending is out of control and the Congressional Budget Office (CBO) projects that if current laws and policies remained the same, the Federal Government will run a deficit of \$337 billion in 2006;

Whereas a rescissions bill, which would cut Federal spending, should be brought to the House floor at the beginning of every fiscal quarter to give Congress the opportunity to

cut and cancel unnecessary, wasteful, and bloated government spending to eliminate the deficit;

Whereas any Federal appropriations that have not yet been spent would be on the table for cuts;

Whereas the House of Representatives would consider this spending slashing bill under an open rule procedure that allows any Member of Congress to offer an amendment to cut Federal spending and demand a recorded vote to hold Congress accountable;

Whereas in this spending cutting process every single spending item would be up for reconsideration and no Member of Congress could make excuses for failing to cut spending because the process would provide a record of their actions;

Whereas the taxpayer money saved through this spending cutting process will be returned to the general fund and cannot be used for new spending;

Whereas the process of cutting spending should be open to the public, by posting this spending cutting bill and its amendments on the Internet, so that Americans can exercise their right to contact their Members of Congress and make their views known; and

Whereas this rescissions spending cutting process will discipline Federal spending and save taxpayer money: Now, therefore, be it

1       *Resolved*, That (a) this resolution may be cited as the  
2   “Cut the Unnecessary Tab Resolution” or the “CUT Res-  
3   olution”.

4       (b) Clause 6(c) of rule XIII of the Rules of the House  
5   of Representatives is amended by striking the period and

1 inserting “; or” at the end of subparagraph (2) and by  
2 adding at the end the following new subparagraph:

3 “(3) a rule or order that would limit any amendment  
4 that would otherwise be in order to a rescission bill.”.

5 (c) Clause 4(b) of rule X of the Rules of the House  
6 of Representatives is amended by inserting “(1)” after  
7 “(b)”, by redesignating subparagraphs (1) through (6) as  
8 subdivisions (A) through (F), respectively, and by adding  
9 at the end the following:

10 “(2)(A) Whenever a rescission bill passes the House,  
11 the Committee on the Budget shall immediately reduce the  
12 applicable allocations under section 302(a) of the Congres-  
13 sional Budget Act of 1974 by the total amount of reduc-  
14 tions in budget authority and in outlays resulting from  
15 such rescission bill.

16 “(B) As used in this subparagraph, the term ‘rescis-  
17 sion bill’ means a bill or joint resolution which only re-  
18 scinds, in whole or in part, budget authority and which  
19 includes only titles corresponding to the most recently en-

 3       a rescission bill. If such bill is not introduced by that date,  
 4       then whenever a rescission bill is introduced during a ses-  
 5       sion on or after that date, a motion to discharge the com-  
 6       mittee from its consideration shall be privileged after the  
 7       10-legislative day period beginning on that date for the  
 8       first 5 such bills.

9       “(b) It shall not be in order to offer any amendment  
 10       to a rescission bill except an amendment that increases  
 11       the amount of budget authority that such bill rescinds.

12       “(c) As used in this clause and in clause 6, the term  
 13       ‘rescission bill’ has the meaning given such term in clause

 24       hours before its consideration; or

1           “(2)(A) in the case of an amendment to such  
2       rescission bill made in order by a rule, it is made  
3       available to Members and the general public on the  
4       Internet within one hour after the rule is filed; or

5           “(B) in the case of an amendment under an  
6       open rule, it is made available to Members and the  
7       general public on the Internet immediately after  
8       being offered; in a format that is searchable and  
9       sortable.

10       “(b) No amendment to an amendment to a rescission  
11       bill shall be in order unless germane to the amendment  
12       to which it is offered.”.
